### *Bonus Dividend and Interest Rebates*

**We are pleased to report we have paid our members the anticipated share bonus dividend and loan interest rebate. These amounts are based on the dividend credited or the interest paid for the year. You will find the amount credited on your December 31, 2017 statement. Thank you again for making this another successful year.**

### *Let us help you save toward a specific goal*

**Start building a financial foundation with a share account that offers competitive rates as well as share certificates with terms of 6 months up to 5 years. Let the account build toward your savings goals with our direct deposit capabilities. A direct deposit can be set up to come to your credit union account from your payroll or we can debit your checking account so it's done automatically for you, with no hassle.**

### *We have financing options to fit your needs*

**One of those options would be a Home Equity Line of Credit. You have put effort into making your house a comfortable home for you and your family with maintaining and improving it over the years. Let us help you to use the equity you have built up to finance the next renovation or pay for other expenses you might have. Contact one of our offices to get started in our easy process.**
